Trade fare gift – tire compressor and other conveniences

On the occasion of the upcoming Car Exhibition “BG Car Show 05” in Belgrade, Wiener Städtische Insurance has prepared a special gift for the first 200 visitors who sign a Passenger Vehicle Casco Insurance at this company’s stand. They will all get a tire compressor, a practical and very useful gift convenient for car and bicycle tires, air mattresses and such, taking up little space in a vehicle. In addition, all visitors of this stand will find additional discounts for other insurance products from the Wiener Städtische Insurance portfolio, as well as other gifts.

“Our Company has been traditionally participating at the car exhibition form many years in order to follow world trends in the motor industry. Moreover, we are available to provide all visitors of this event with any additional information about the products from our motor vehicle insurance offer. In one place, according to their needs, they can provide themselves with one of the following insurances: compulsory motor liability insurance, Casco insurance, driver and passenger insurance against accident consequences, or "roadside assistance", which is especially interesting for holidays. We guarantee them quick payment of damages and effective protection of their vehicles. This is an opportunity for the visitors to get familiar with the rest of our products and get discounts if they choose one of these insurances for the duration of the fair”, said Katarina Krstajic, Corporate PR Manager of the company. “Visit us at the Car Exhibition in Hall 4 of the Belgrade Fair, from 17 to 23 March 2016 and learn more about the conveniences we have prepared for you”.
